# St. Louis, Missouri (SUS) Services

West Star Aviation Chesterfield is located on the Spirit of St. Louis Airport (SUS), easily accessible and separate from the high traffic of major airports. If you find yourself in need of maintenance or other technical services, West Star Aviation is pleased to offer support for all your needs at SUS.

Our on-site, FlightSafety and factory-trained technicians have the proper training, tooling and experience to solve any maintenance or dispatch related problems that occur.
